

STRATEGIC BOOKKEEPING · EST. WITH CARE

● Taking on 3–5 new clients this quarter

Hi, I'm Patti.

I've done life *the hard way*
— which is exactly
why your books don't have to be.

Patti — Tuesday morning, light coffee

A real human who picks up her own phone.
Decades of meticulous, strategic bookkeeping —
handled the way your future self will thank you
for.

Or — read why she got audited (and ended up with a refund)

o jargon.

I pick up my own phone
